Dear Examiner Gooden,

I originally faxed this Amendment on 8/8/06. My fax confirmation showed 17 pages but the USPTO confirmation showed 16 pages. I refaxed this morning, 8/9/06, and realized I should have changed the Certification date on the cover of the Amendment.

I am refaxing this Amendment with a 3-month extension with the correct date of mailing on the Certification and request that you discard the previous copies of this Amendment sent to you so that we are only charged once to our Deposit Account.

If you have any questions, please feel free to call me. Thank you for your help.
